

CHC52108 DIPLOMA OF COMMUNITY SERVICES -

FINANCIAL COUNSELLING

Victoria University will be delivering, in 2012, the *Diploma of Community Services- Financial Counselling* in partnership with the Financial and Consumer Rights Centre.

Interviews are now underway.

Increased external accreditation processes delayed course advertising, enrolment and commencement. We are now permitted to advertise, enrol and continue with our interview and RPL processes. The course will commence in early March 2012 at the Victoria University Flinders St campus (virtually opposite the station).

If you have not received a Victoria University course application form please email cs.admin@vu.edu.au or telephone 9919 8546 so that we can provide you with information on the course and the selection process.

Please advise your colleagues working in the community sector of the course commencement in March 2012 and that they need to contact Victoria University to register their definite interest in undertaking the course in 2012. Course interviews are continuing in January and enrolment for successful applicants will take place in February.

Contact for all course enquiries is cs.admin@vu.edu.au 9919 8674

Best wishes for 2012
